

*What has the PTO done for Julian students lately?
We thought you'd never ask...*

**Here is what your PTO membership and fundraising dollars
have supported at Julian Middle School**

- **Classroom Support**—Purchases of technology and classroom supplies to enhance student learning.
- **Library Support Fund** – Support for classroom teacher initiatives through purchases of needed nonfiction, fiction, and poetry books and multimedia supplies.
- **Honor Roll Celebrations**—Honoring students' academic excellence with a celebratory breakfast with families, friends, and faculty.
- **8th Grade Graduation Reception**—Celebrating our 8th grade graduates' achievements.
- **Performing Arts**—Replaced microphones and enhanced the sound system for the auditorium and assisted with costuming costs, purchases and maintenance of band/orchestra equipment, transportation and field trip expenses, and more.
- **Athletics**— Purchased equipment and transportation to State meets for Julian's championship teams.
- **Academics**—Support for annual academic competitions. The PTO also provides support to the Oak Park Education Foundation and six other local programs that benefit many Julian scholars, on topics such as architecture and robotics and beyond.
- **Career Day**— Support for this exciting day, where students learn about future career opportunities.

We Need Your Continued Support!!!

**Julian Middle School
Annual 2012-13 PTO Donation**

The PTO works hard to cover program and resource needs that enrich all of our students' school experience. Many materials, field trips and cultural and academic activities would not be possible without additional funding. We know that you can't participate in every fundraiser and hope that you find this a convenient opportunity to give an important gift to our children. *A donation of just \$10 per student would fund one classroom cart of ipods with educational apps and professional development to help Julian teachers make learning more interactive!*

Thank you for your continued support of the PTO and Julian Middle School.
